

CSS (Part 2)

Practice Solutions

Ans A (all 5 parts)

Create a separate CSS file and link it with your html code. In the CSS file write the following code:

```
text-align: center;
#mainTopic {
color: blue;
h1,
h3,
h5 {
font-family: Georgia;
.content {
background-color: cornflowerblue;
color: white;
div button {
```

```
Ans B (part 6 to 9)
```

color: azure;

background-color: purple;

```
button:hover {
background-color: yellow;
color: blue;
p:nth-of-type(2n+1) {
color: yellow;
h1::first-letter {
color: red;
#yes:checked + label {
color: darkgreen;
```

Ans 10

The correct order is:

samarthupadhyay624@gmail.com

- a. #mainContent
- b. div .main
- c. .main
- d. h1
